

Next-Gen Compliance Experts and Solutions

Client Acquisition Partner (Commission-Based)

About UGR

UGR – NextGen Compliance is a trusted advisory and RegTech partner helping regulated companies navigate complex compliance and risk environments.

Role Overview

UGR is seeking a Client Acquisition Partner to support growth on a commission-based, independent basis. This role focuses on introducing qualified prospects to UGR's advisory and technology solutions.

Key Responsibilities

- Identify and engage qualified prospects across FinTech and regulated industries
- Introduce UGR's services to founders and senior executives
- Qualify opportunities and coordinate introductions with UGR leadership
- Support opportunity progression in a consultative, ethical manner

Compensation & Engagement

- Commission-based compensation
- Independent contractor arrangement
- Fully remote and flexible
- Long-term collaboration potential
